### Course Details

#### Introduction

##### The Aims of this course

The intensive Arabic is a course which is designed to teach learners the Arabic language to a basic level within one year. Provided that the learners do their part this course is guaranteed to enable them to be at a level where they can independently speak, read and understand Arabic to a basic level.

The course is a one year intensive course and will be true to the meaning 'intensive'. This course will move at a very fast pace and for learners to be successful and achieve the pre-set targets they must be committed and dedicated to the course. Some parts of this course will require learners to memorize parts of grammar, but in general the course will require a lot of reading the book, learning and practise.

The course is designed in such a way that it links the Arabic language with grammar in a manner that complicated grammatical issues are rendered simple and elucidated beautiful with examples.

### Objective of this course

This course is designed in such a way that it will create an excellent foundation for learners to move on to a more advanced level. By the end of the course learners should be able to put sentences together independently as well as read and understand basic Arabic. It should bring learners to pre-Arabic GCSE level.

### Course Cost and Payment

The course will cost £1.32 per hour. The full cost of the course is £180. This includes learning materials. The package to study in Egypt or Yemen is separate to this (information for this will be provided later). The fees are due at registration and is non-refundable. All cheques should be payable to 'The Muath Trust'.
